

Application for Growing Season Inspection

Please return completed forms to:

Plants and planting material (including bulbs and seed crops intended for export)

General Conditions

1. Fera may refuse any application for inspection on the grounds of excessive weed growth, poor crop growth, health and safety problems or other plant health concerns. Fera also may require an exporter to produce any information in connection with any plant or plant product for export.
2. No liability shall attach to Fera or any of its officers for any delay in inspecting or failure to inspect or non-delivery, delayed delivery or mis-delivery of any document.
3. If you are not the occupier of the land you should advise them that a growing season inspection may be carried out by Fera.
