2. Applications for National Listing or Plant Breeders' Rights for Genetically Modified Candidates

Customers considering applying for National Listing (NL) or Plant Breeders' Rights (PBR) of plant species which contain Genetically Modified Organisms (GMOs) should contact PVRO and Seeds Division at the earliest opportunity for advice and certainly in advance of submitting the application.

3. EC Common Catalogues of varieties of agricultural plant and vegetable species

Consolidated versions of the EC Common Catalogue of varieties of Agricultural Plant and varieties of Vegetable Species can be found on the EC Health & Consumer Protection website – CIRCA (Communication & Information Resource Centre Administrator)

a) Common catalogue of varieties of agricultural plant species:

<http://forum.europa.eu.int/Public/irc/sanco/comcatvar/library?l=/agriculturalplantsspeci>

b) Common catalogue of varieties of vegetable species:

<http://forum.europa.eu.int/Public/irc/sanco/comcatvar/library?l=/vegetablesspecies>

If you experience any problems or difficulties accessing these sites, please contact Brian Richardson Tel: 01223 342382

Official Notices - continued

4. Summary of closing dates for main ornamental crops tested at NIAB for the UK, CPVO and under Bilateral agreements

Species / group	Final closing date for applications	Submission period for delivery of material
Chrysanthemums (including Ajania)		
All Year Round varieties (AYR)		
AYR Crop 1	14 th July	11-15 th January
AYR Crop 2	30 th October	9-13 th March
AYR Crop 3	17 th February	29 th June – 3 rd July
On receipt, applications will be allocated to the next suitable growing trial		
Natural Season varieties, including garden varieties	1 st December	6-10 th April
Dahlias	1 st December	4-8 th May
Delphiniums Vegetatively propagated	1 st December	2-6 th February/ 23-27 th March depending on type
Seed propagated	1 st December	19-23 rd January
Herbaceous perennials Hardy varieties	1 st December*	9-20 th March*
Tender varieties (and "basket"/pot plants)	1 st December	20-24 th April
Narcissus	31 st May	17-21 st August
Roses	15 th February	1 st November - 31 st March
Seed propagated ornamentals	1 st December*	19-23 rd January*
Trees, shrubs and woody climbers	1 st December*	9-20 th March*

Notes:

- Requesting Authorities must forward their paperwork to the test centre within 10 working days of the final deadline for applications, to allow time for planning the trial.
- The deadlines apply to vegetatively propagated varieties except where specifically indicated, and assume all material to be container grown.
- * Different dates will apply to varieties flowering over winter or in very early spring. Please ask for further information.
- No plant material should be sent until specifically requested. Submission periods may be varied slightly from year to year to take account of National Holidays etc., and applicants should read any instructions they receive with care.

Official Notices - continued

4. Summary of closing dates for main ornamental crops tested at NIAB for the UK, CPVO and under Bilateral agreements (Continued)

Address for delivery of plant material:

Ornamental Crops (**attention Mrs C. Heffer**),
NIAB
Huntingdon Road
Cambridge
CB3 0LE
United Kingdom

If you are applying for a type of plant which is not listed, or if you require any further information please contact:

Mrs Ann Thorpe
Plant Variety Rights Office
White House Lane
Huntingdon Road
Cambridge
CB3 0LF

Tel: (01223) 342351 Fax: (01223) 342386

5. Previous Issues of the Plant Varieties and Seeds Gazette.

If anyone requires copies of previous Gazettes, that cannot be found online, please contact [Brian Richardson](#), Telephone 01223 342382 who will provide either electronic or hard copy.

Official Notices - continued

6. Plant Breeders' Rights and National Listing closing dates for submission of applications and plant material

Plant breeders who are intending to make applications and/or submit seed for Plant Breeders' Rights and/or National List tests and trials in the 2009 season in respect of the following species are asked to arrange for these to be sent to the address below so as to arrive no later than the dates given. Please note that if the closing date falls at a weekend or on a Bank Holiday, applications/seed must be received by the next working day. Applications and/or seed/plant material received after these dates cannot be considered for tests and trials in the 2009 season.

BSPB will request seed for VCU trials. Seed for DUS plots will normally be requested by PVS Division, except for rye, triticale and oilseed rape.

Address for receipt of seed is:- Department for Environment, Food and Rural Affairs
Whitehouse Lane
Huntingdon Road
Cambridge
CB3 0LF

Plant breeders who are intending to make applications and/or submit plant material for Plant Breeders' Rights and/or National List tests and trials in the 2009 season in respect of the following species are asked to arrange for these to be sent to the address below so as to arrive not later than the dates given:

National List and Plant Breeders' Rights application forms, Technical Questionnaires and Technical Questionnaire confidential part (which is optional) and species specific appendices to the Technical Questionnaire can be downloaded from Defra's web site at <http://www.defra.gov.uk/planth/pvs/listing/forms.htm>. Electronic submission is now possible.

Spring Sown Agricultural Crops

(a) Borage

Receipt of plant material 31 January 2009

(b) Spring Field Beans, Spring Field Peas

Receipt of plant material 31 January 2009

(c) Red Clover, Alsike Clover, Meadow Fescue, Tall Oatgrass, Birdsfoot Trefoil, Cocksfoot, Lucerne, Sainfoin, Tall Fescue, Red Fescue (includes Chewings Fescue), Alaska Brome Grass, Rescue Grass, Black Medick, Hungarian Vetch, Hairy Vetch, Small Timothy

Receipt of plant material When requested

(d) Spring Linseed

VCU Seed to Trial Centre 31 January 2009

Official Notices - continued

6. Plant Breeders' Rights and National Listing closing dates for submission of applications and plant material (Continued)

Spring Sown Agricultural Crops (Continued)

(e) **Ryegrass, White Clover, Timothy and Festulolium**

Receipt of plant material 5 February 2009

(f) **Sunflower**

Receipt of plant material 1 February 2009

(g) **Forage Rape, Spring Turnip Rape, Maize, Sugar Beet, Fodder Beet, (Mangels), Fodder Kale, Swede, Fodder Radish**

Receipt of plant material 15 February 2009

(h) **Soya beans**

Receipt of plant material 4 March 2009

Autumn Sown Vegetables

Plant breeders who are intending to make applications and/or submit plant material for Plant Breeders' Rights and/or National List tests and trials in the 2009 season in respect of the following species are asked to arrange for these to be sent to the address below so as to arrive not later than the dates given:

(a) **Runner Bean**

Closing date for seed 1 February 2009

(b) **Leeks, Onions (Spring sown), Parsley and Turnip**

Closing date for seed 31 January 2009

(c) **Broad Bean, Fenugreek and Pea**

Closing date for applications 31 January 2009
Closing date for seed 15 February 2009

(d) **Spinach**

Closing date for seed 1 February 2009

(e) **Beetroot, Brussels Sprout and Curly Kale,**

Closing date for seed 28 February 2009

Official Notices - continued

6. Plant Breeders' Rights and National Listing closing dates for submission of applications and plant material (Continued)

Autumn Sown Vegetables (Continued)

(f) Celeriac

Closing date for applications	28 February 2009
Closing date for seed	15 March 2009

(g) Cabbage, Carrot, Celery and Radish (Salad & Spring and Summer sown storage)

Closing date for application	28 February 2009
Closing date for seed	31 March 2009

(h) French Bean

Closing date for applications	28 February 2009
Closing date for seed	1 April 2009

(i) Cauliflower

Closing date for applications-	28 February 2009
Closing date for seed	1 May 2009

Summer Sown Vegetables

(a) Marrow

Closing date for applications	1 April 2009
Closing date for seed	1 May 2009

(b) Endive

Closing date for applications	1 May 2009
Closing date for seed	1 June 2009

(c) Onions (over wintered)

Closing date for applications	30 June 2009
Closing date for seed	31 July 2009

(d) Lettuce-glasshouse

Closing date for applications	1 August 2009
Closing date for seed	1 September 2009

Official Notices - continued

Introductory paragraphs on representations

Written representations and requests to be heard

Plant Breeders' Rights

The Plant Varieties Act 1997

- Section I - Applications for Plant Breeders' Rights
- Section IV - Proposed Grant or Refusal of Applications
- Section VI - Proposed Surrender or Termination of Grants and Declaring Rights Null and Void

Written representations and/or requests to be heard by the Controller or by a person appointed by him for that purpose may be made regarding proposals made in Section IV & VI above. Only written representations may be made regarding applications under Section I.

For Sections I & IV, representations may be made by the applicant, any person who has a substantial interest in an application which is the subject of one of these proposals or who is in a position to provide evidence which is likely to be material to its consideration. For proposals under Section VI, representations may be made by the holder of rights, any person who is the holder of a licence to exercise any Plant Breeders' Rights in the plant varieties in question and any persons whose financial interests are likely to be affected by the decision.

The representations and/or requests to be heard must be sent to the Controller by 18 February 2009. Written representations should be accompanied by a fee of £30.00 (Cheques should be made payable to Defra). If a hearing is granted then a fee of £65.00 is payable before it is held.

Any representations received will be circulated by the Controller to all interested parties and a period of 21 days allowed for subsequent representations to be made. The Controller shall then be entitled to make a decision after he has received any further representations but may, if he considers it desirable, allow further representations.

If a hearing is to be held then at least 14 days notice will be given to all parties. Any supporting documents relating to the hearing must be made available to the Controller at least 7 days before the hearing.

Written representations and or requests to be heard should be forwarded to The Controller at the following address:

Department for Environment, Food and Rural Affairs
The Plant Variety Rights Office
Whitehouse Lane
Huntingdon Road
Cambridge
CB3 0LF

Official Notices - continued

Introductory paragraphs on representations (Continued)

Written representations and requests to be heard (Continued)

NATIONAL LISTS

- Section IV - Proposed Additions and Refusals
Section VI - Proposed Deletions

Any person who would be affected by a proposed decision in Section IV & VI above may make representations to the National Authorities in writing, or be heard by a person appointed by National Authorities for the purpose, or if they wish, make both written representations and be heard. The representations and/or request to be heard must be received by the National Authorities not later than 18 February 2009 if they relate to proposed additions and refusals and not later than 30 April 2009 where they relate to proposed deletions. Written representations should be accompanied by a fee of £30.00. (Cheques should be made payable to Defra). If attendance at a hearing is granted then a fee of £60.00 is payable before it is held.

Persons affected means as the case may be:

- a) The person who has made the application for the addition of a plant variety to a National List, the application for the renewal of the period during which a plant variety may remain in a National List or the application to be indicated in a National List as a maintainer of a plant variety;
- b) Any person appearing to the National Authorities to have sufficient interest in the matter to which the proposed decision relates;
- c) Any person or organisation appearing to the National Authorities to be representative of a class of persons likely to be affected by the decision.

Written representations and/or requests to be heard should be forwarded to National Authorities at the following address:

Department for Environment, Food and Rural Affairs
Plant Varieties and Seeds Division
Whitehouse Lane
Huntingdon Road
Cambridge
CB3 0LF

PLANT BREEDERS' RIGHTS AND NATIONAL LISTS

Section II - Variety Denominations

Proposed Names

Any person who wishes to object to either the approval of a proposed name or the approval of a proposed change of name on the grounds that it is unsuitable on one or more of the grounds set out in Regulation 3 of The Plant Breeders' Rights (Naming and Fees) Regulations 2006 or in Regulation 6(2) of The Seeds (National List of Varieties) Regulations 2001(as amended) may make written representations. These must set out in full the reasons for the objection and must be delivered not later than 30 April 2009. They should be accompanied by a fee of £30.00 and addressed to the Controller (for Plant Breeders' Rights) or the Secretary of State for Environment (for National Listing) at the above address.

VARIETIES LISTS

The following symbols are in use in the Sections of the Varieties Lists:

#	Addition to a National List in accordance with Regulation 5(5)
&	PVS Proposed deletion
(H)	Hybrid variety
@	Addition to a National List of herbage varieties not intended for fodder production
M	Multigerm
MSH	Male sterile hybrid
NL	National List applicant
P	Pollinator
PBR	Plant Breeders' Rights applicant
^	Proposed addition to a National List in accordance with Regulation 5(5)
am	Amenity variety - the applicants have declared that seed of these varieties is not intended for fodder production and the Agriculture Departments have not therefore conducted trials for value for cultivation and use. The labels on each bag of seed marketed will have to bear the words "NOT INTENDED FOR FODDER PRODUCTION".
m	Monogerm
r2	2 rows
r6	6 rows
(c)	Indicates a variety denomination in the form of a code under Commission Regulation 930/2000
(gm)	Indicates that a variety is genetically modified as defined by Council Directive 2001/18/EEC
